

INVITATION TO BID

CITY OF LINCOLN WASTEWATER TREATMENT AND RECLAMATION FACILITY OXIDATION DITCH 1 & 2 AERATION CONVERSION PROJECT

ADVERTISEMENT FOR BIDS

The City of Lincoln is requesting Bids for the construction of the following Project:

City of Lincoln WWTRF Oxidation Ditch 1 & 2 Aeration Conversion Project

Bids for the construction of the Project will be received at the office of the City Clerk by Patricia Avila, located at 600 Sixth Street, Lincoln, CA 95648 until **Wednesday, June 23, 2021 at 2:00 p.m.** local time. At that time the Bids received will be publicly opened and read.

The Project includes the following Work:

Replacing and converting the aeration system for the two existing oxidation ditches; site grading and paving; yard piping; and electrical and instrumentation.

Bids will be received for a single prime Contract. Bids shall be on a lump sum and unit price basis, as indicated in the Bid Form.

Obtaining the Bidding Documents

Bidding Documents are available at the City CIP List (www.CIPList.com) for download, examination, and printing. Hard copies will not be provided. Direct all bid period questions to Roland Neufeld, PE, with the City of Lincoln at (916) 434-2481 or roland.neufeld@lincolncalifornia.gov.

Pre-bid Conference

A mandatory pre-bid conference for the Project will be held on **Wednesday, June 9, 2021 at 10:30 am local time**, at the project site, 1245 Fiddymont Road, Lincoln CA 95648. At this meeting, representatives of the City and Design Engineer will discuss the bid documents, site constraints, order of work, and other items specific to the project. **A sign-in sheet will be available up until 10:45 a.m. only.** Bids received from Bidders who do not sign the sign-in sheet and attend the meeting will be returned to the Bidder unopened. Attendance by subcontractors is not mandatory, but all interested prospective subcontractors are encouraged to attend. The City will transmit to attendees such Addenda as the City considers necessary in response to questions raised at the pre-bid meeting and walk-through. Oral statements not confirmed by Addenda may not be relied upon and are not binding or legally effective. Except for walk-through after the mandatory pre-bid meeting, no other access to the project site will be granted without the City's approval. During the entirety of all site visits, the Bidder must be accompanied full time by an authorized representative of the City. There are no exceptions to this requirement.

Instructions to Bidders.

Bid security shall be furnished in accordance with Specification Section 00200 – Instruction to Bidders.

In accordance with the provisions of California Labor Code Sections 1770, 1773, 1773.1, 1773.6, and 1773.7 as amended, the Director of the Department of Industrial Relations has determined the general prevailing rate of per diem wages in accordance with the standards set forth in Section 1773 for the

locality in which the work is to be performed. A copy of said wage rates is on file with the City. It shall be mandatory upon the Contractor to whom the work is awarded and upon any subcontractor under the Contractor to pay not less than said specified rates to all workmen employed by them in the execution of the Contract.

Pursuant to Labor Code Section 1722 and 1771.1, the General Contractor (Bidder) and all listed Subcontractors shall be registered to bid and work on public works projects with the Department of Industrial Relations (DIR), pursuant to Labor Code Section 1725.5 (with limited exceptions from this requirement for bid purposed only under section 1771.1a). No bid will be accepted nor any contract entered into without proof of contractor's and subcontractors' current registration with the Department of Industrial Relations to perform public work. If awarded a contract, the Bidder and its subcontractor(s), of any tier, shall maintain active registration with the Department of Industrial Relations for the duration of the Project. Contractors must furnish certified payroll records to the Labor Commissioner, in accordance with the law. This project is subject to compliance monitoring and enforcement by the DIR.

Each Bidder shall be licensed at the time of bidding under the provisions of Chapter 9, Division 3 of the Business and Professions Code of the State of California to do the type of work contemplated for this project. The license classification shall be Class A – General Engineering.

At time of bid award, the Contractor and all sub-contractors shall have valid City business licenses, which may be obtained from City of Lincoln, 600 Sixth Street, Lincoln CA 95648.

The Contractor is responsible for obtaining City building permits and water use permits from City of Lincoln, 600 Sixth Street, Lincoln CA 95648.

The Owner has selected the manufacturer of the Fine Bubble Diffusers (OTT Group), Positive Displacement Blowers (Aerzen Delta), and MCCs (Tesco). The proposals, including terms and conditions, of sale for the selected equipment are included in the Contract Documents. The Successful Bidder, upon Award of the Contract by the Owner, shall agree to enter into purchase agreements with the Suppliers of the Owner selected equipment under the Terms and Conditions included in the Contract Documents.

For all further requirements regarding bid submittal, qualifications, procedures, and contract award, refer to the Instructions to Bidders that are included in the Bidding Documents.
